

BREVA PRO 11

WALL

BREEZE THROUGH COOKING

The minimalist design - sculpted in stainless steel - and high extraction capacity are matched by extraordinary usability, thanks to wi-fi connectivity and a particularly advanced user interface, easy to operate remotely and through voice commands with the Faber Cloud App.

New PRO Blower

Restaurant like performance, thanks to an even more powerful blower and stainless steel professional style baffle.

Friendly User Interface

Control your hood's 5 speeds, lights with 2 dimmers, shut off timer and filter wash reminder.

Heat Sensor and Auto On

When the stove produces high heat, the hood turns on venting automatically.
