Café[™] 30" Slide-In Front Control Dual-Fuel Convection Range with Warming Drawer

C2S900P3MD1 / C2S900P2MS1

DISTINCT BY DESIGN™

ALSO AVAILABLE IN

C2S900P2MS1 Stainless Steel with Brushed Stainless handles and knobs

FEATURES & BENEFITS

Expansive six-burner cooktop helps you entertain with ease - Entertaining for large groups is easy with the industry's first six burner, edge-to-edge cooktop that can accommodate cookware of all sizes and a cast-iron integrated griddle that provides enough room to perfectly flip crab cakes, arepas and other crowd favorites

Enjoy total control in the kitchen and beyond - Control your oven with your smart device or simply your voice using WiFi Connect

An attractive appearance at all times - Every detail of your kitchen is designed to delight, thanks to a sleek backlit glass touch control panel that visually disappears when not in use and wakes up when prompted

Share favorite creations with your favorite people - Create an unforgettable dinner, using a 21K tri-ring burner to do everything from searing scallops to simmering a lemon caper white wine sauce and a 15K power boil burner to boil water quickly for al dente angel hair pasta

Treat yourself to the best of both worlds - Get the precision you need to pull off a multi-course dinner party with Dual Fuel, which boasts a gas-powered cooktop for precise heat control and electric True European Convection with Precise Air in the oven for even baking results.

Tough racks simplify loading and unloading - Easily access everything from heavy roasts to delicate desserts with heavy duty roller racks that glide smoothly on ball bearings and can stand up to the heat of self-clean

Create a look that matches your personal style - Select any combination of premium finishes and hardware options to create a stunning look customized to any owner's taste

Prepare foods to perfect doneness - Get roasts and meats just right with a temperature probe that lets you monitor progress without opening the oven door
