Insert Range Hood, 48"

Series 9 | Integrated

Stainless Steel

With edge-to-edge extraction, this efficient, stylish range hood is perfectly hidden away in your cabinetry.

- With five fan speeds, select the perfect extraction rate for your cooking

- With dimmable LED strip lighting

- Powerful 1100CFM maximum airflow

- Dishwasher safe filters that are easy to remove and clean

DIMENSIONS

Height	16 $\frac{7}{8}$ "
Width	46 $\frac{7}{16}$ "
Depth	18 $\frac{7}{8}$ "

FEATURES & BENEFITS

Achieve the invisible
<>

Edge to edge extraction
Filters effectively reach edge to edge, which maximizes the amount of extraction area.

Full surface lighting
The even lighting provides full coverage of the cooktop, illuminating food in its true color, with no hot or dark spots and no glare or shadows. The dimmable lights have fade in and fade out features.

Easy to use

This easy to use range hood operates with fingertip control of LED-illuminated soft touch buttons. Selected models also come with a remote control.

Energy efficiency
Powered by a brushless DC motor, the Insert Range Hood operates more efficiently, more reliably and with less noise than units with AC motors. Plus, fewer moving parts mean less erosion and longer lifetime.

Effortless cleaning
The stainless steel filters are easy to remove and are dishwasher safe. A self-contained grease tray within the filters makes them very easy to clean.

Simple installation
The simple installation process is compatible with most precut cabinetry. The adjustable mounting system can be installed with ⅝" to 9/16" cabinetry board.

SPECIFICATIONS

Fan ratings

Maximum blower air flow	1100CFM

Installation and cleaning

Air outlet size	10"
Dishwasher safe filters	4
Ducted	Vertical only

Performance
