

GE Profile™ 30" Smart Slide-In Electric Convection Fingerprint Resistant Range

Model# PSS93YPFS

- Hot air frying - Integrated hot air frying technology gives you crispy results in your oven without using oil
- Built-in WiFi - This smart oven features built-in WiFi so you can control oven functions with the SmartHQ app on your smart device
- Fingerprint Resistant Stainless - A stainless finish that makes it easy to keep your appliances free of smudges and prints.
- Fit Guarantee - This electric convection range will fit your existing 30" cut-out, or GE Appliances will help pay for modifications up to \$300
- 12"/9"/6" Power Boil element - A power boiler produces concentrated heat for rapid boiling in a flexible 12-inch/9-inch/6-inch burner size, so you spend less time waiting and more time cooking
- Synchronized elements - Control two cooktop elements with a single button to create a bigger cooking surface for griddles
- Touch controls - Glide touch controls let you control the cooktop with the swipe of a finger and are easy to clean thanks to seamless integration
- Synchronized clocks and lights - Synchronize your oven and GE Appliances over-the-range microwave so that clocks are always matching and lights automatically come on when a burner is activated with Chef Connect
- True European Convection with Precise Air - This oven features True European Convection, an advanced convection system that uses a third heating element and reversing fan for the highest level of heat and air circulation
