

Maytag Model: MGR8800FZ

30-Inch Wide Gas Range With True Convection And Power Preheat - 5.8 Cu. Ft.

Color  Fingerprint Resistant Stainless Steel

Product Description

Our gas stove with included griddle plate is built for the long haul and is available in fingerprint resistant stainless steel. Power Preheat lets you start cooking sooner, while the Power™ burner brings the heat for quick searing and an even saute. For faster baking and roasting, true convection with a third heating element helps keep temperatures consistent. Plus, you can count on this freestanding stove for a decade of dependability thanks to a 10-year limited parts warranty. Best of all, this 5.8 cu. ft. gas stove is designed, engineered and assembled in the U.S.A. with genuine American Pride.
