

30" DUAL-FUEL SLIDE-IN RANGE

JDS1450ML

Signature Features

DUAL-STACKED POWERBURNER

Two stacked, symmetrical flames bloom and retreat as you change temperature, offering total control of up to 19,000 BTUs. Enjoy the robust heat necessary for high-powered cooking techniques, whether searing a steak, stir-frying vegetables or rapidly boiling water

DIE-CAST METAL KNOBS

Robust, die-cast metal knobs offer precise control and coordinate with the range's design.

CAST IRON GRATES

Robust geometric cast iron grates form one graceful surface, crafted to withstand heavy cookware.

TRUE CONVECTION

Steady heat circulates around every rack by whirling metal blades. Flaunt your cooking prowess with mouthwatering, flaky pastries and irresistible roasts.

BAKING DRAWER

Bake, slow roast, proof bread or warm serving dishes in a separate compartment under the oven.

RISE™ DESIGN EXPRESSION

Forged for an era of striking proportions, robust lines of the RISE™ Design Expression draw the eye to its traditional yet unconventional design. Indulge in the details — a custom, diamond-knurled handle, brass-inspired bezels and a bold badge.

DURAFINISH™ PROTECTION

DuraFinish™ Protection keeps your cooktop's stainless steel surface looking new by resisting yellowing, staining and scratching.

GLIDE RACK

The glide rack smoothly and quietly slides in and out, even when fully loaded.

6.8 CU. FT. TOTAL CAPACITY

A generous 6.8 cu. ft. total capacity of the oven cavity and baking drawer lets you cook multiple dishes on multiple racks at once.

Dimensions

Depth: 28-5/8 in

Height: 36.0 in

Width: 29-7/8 in

Electrical

Power Cord Included: Yes
