### DESIGN AND INSTALLATION FEATURES

- Contemporary style is designed to seamlessly complement Viking RVL cooking products, enhancing any modern kitchen
- Available in three monochromatic finishes—Stainless Steel, Black, and White—offering versatility to match various kitchen aesthetics
- Concealed ventilation with electronic touch control or remote operation ensures a sleek, streamlined look with effortless control options
- Ultra-slim LED light strip adjusts from a warm white (2,700K) to a neutral white (4,000K), allowing for customizable lighting to match any ambiance
- Dimmable lighting provides flexibility, operating at full brightness for cooking or at a lower setting for ambient illumination

### POWERFUL AND QUIET OPERATION

- Four fan speeds, including a high-power setting, efficiently clear smoke, steam, and odors from the kitchen
- Delay setting automatically turns off the fan and lights after 10 minutes, offering convenience and energy savings
- Auto-stop shuts off the fan motor after three hours for safety and efficiency
- Can be controlled via a smartphone or tablet by connecting to a user-friendly app, providing remote access and ease of use
- Dishwasher-safe grease filters are easily removable, ensuring quick and effortless cleaning
- Whisper-quiet operation with maximum efficiency allows for powerful ventilation without disruptive noise
- Integrated sound absorber minimizes noise levels for a quieter cooking experience

### WARRANTY

- 2-year full – complete product
- 90-day full – cosmetic parts such as glass, painted items and decorative items
- 5-year limited – ventilator motors
