

## HIGH POWERED. HIGH DESIGN.

This new **Viking RVL Collection** bridges present and future with a fully integrated design that fits seamlessly into surrounding cabinetry. Although its sleek look is decidedly minimal, it boldly conveys Viking performance at a glance. And rest assured, no commercial cooking power was sacrificed for appearance sake. With streamlined silhouettes, a sleek user interface, transitional sizes, and outfitted in stunning black glass this collection gives you limitless contemporary design possibilities that will ignite your culinary passions.

## MODEL NUMBERS

**MVIDC6364BBG** – 36"W. Induction Cooktop

**MVIDC6485BBG** – 48"W. Induction Cooktop

## DESIGN AND INSTALLATION FEATURES

- All black glass front offers a sleek, modern aesthetic to complement any kitchen style
- Electronic touch control ensures effortless operation with a responsive, minimalist interface
- Can be installed flush or integrated, allowing for flexible design options to match any kitchen layout

## COOKING FEATURES

- MagneQuick Induction Elements use magnetic energy for superior power, rapid heat response, and enhanced energy efficiency
  - 30"W. Model – (4) 3,000 watt elements
  - 48"W. Model – (5) 3,000 watt elements
- Nine power levels plus double boost
- Simmer setting provides gentle, consistent heat, ideal for melting delicate ingredients or keeping food warm
- Power management system delivers an extra boost of power for faster boiling and reduced cooking time
- Element lights indicate active heating zones and hot surfaces, enhancing safety during cooking
- Sensor automatically turns off the element when cookware is not detected, preventing unnecessary energy use, while the pause function allows for easy cooking adjustments
- Two timer functions provide precise cooking control, with one dedicated to the cooktop element and another as a standalone timer for multitasking in the kitchen
- Automatic bridge function

**MVIDC6364BBG**

**MVIDC6485BBG**
